

OUTRIGHT - ELMWOOD JUNIOR SCHOOL SPEAKS OUT ON AIR POLLUTION AND FOR CHILDREN'S RIGHT TO A CLEAN, SAFE ENVIRONMENT

RESULTS OF THE SURVEY TAKEN

There were 100 children in the class.
The class was divided into 5 groups of 20 children each.
Each group was given 10 minutes to discuss the results of the survey.
The results of the survey were as follows:

- 80% of the children said that they had noticed air pollution in their area.
- 60% of the children said that they had noticed air pollution in their school.
- 40% of the children said that they had noticed air pollution in their home.
- 20% of the children said that they had noticed air pollution in their garden.

DO YOU KNOW WHAT POLLUTES OUR AIR?

The main sources of air pollution are:

- Factories and power stations
- Road traffic
- Heating systems
- Open fires
- Incinerators
- Construction sites
- Gas stoves
- Gas boilers
- Gas furnaces
- Gas ovens
- Gas cookers
- Gas water heaters
- Gas central heating
- Gas fireplaces
- Gas grills
- Gas barbecues
- Gas lawnmowers
- Gas chainsaws
- Gas blowers
- Gas pumps
- Gas generators
- Gas engines
- Gas turbines
- Gas compressors
- Gas pumps
- Gas valves
- Gas pipes
- Gas fittings
- Gas tools
- Gas equipment
- Gas machinery
- Gas vehicles
- Gas aircraft
- Gas ships
- Gas submarines
- Gas balloons
- Gas blimps
- Gas dirigibles
- Gas airships
- Gas zeppelins
- Gas dirigibles
- Gas airships
- Gas zeppelins

What is air pollution?

Air pollution is the main contributor to the health problems listed below:

- Heart, lung and breathing problems, including asthma.
- Weakens our immune system.
- Children are more at risk than adults.
- It can stop things growing properly.

What can we do?

What are some of the things that we can do to help reduce air pollution?

- Plant trees and shrubs.
- Use public transport.
- Walk or cycle to school.
- Use energy saving light bulbs.
- Turn off lights when you leave a room.
- Use a gas cooker.
- Use a gas water heater.
- Use a gas central heating system.
- Use a gas fireplace.
- Use a gas grill.
- Use a gas barbecue.
- Use a gas lawnmower.
- Use a gas chainsaw.
- Use a gas blower.
- Use a gas pump.
- Use a gas generator.
- Use a gas engine.
- Use a gas turbine.
- Use a gas compressor.
- Use a gas pump.
- Use a gas valve.
- Use a gas pipe.
- Use a gas fitting.
- Use a gas tool.
- Use a gas piece of equipment.
- Use a gas piece of machinery.
- Use a gas vehicle.
- Use a gas aircraft.
- Use a gas ship.
- Use a gas submarine.
- Use a gas balloon.
- Use a gas blimp.
- Use a gas dirigible.
- Use a gas airship.
- Use a gas zeppelin.
- Use a gas dirigible.
- Use a gas airship.
- Use a gas zeppelin.

Elmwood Junior School

Elmwood Junior School is a primary school in Elmwood, London. The school has a long history and is known for its high standards of education. The school is committed to providing a safe and healthy environment for all its pupils. The school has a number of initiatives in place to reduce air pollution and improve the quality of the air in the school grounds. These initiatives include:

- Planting trees and shrubs.
- Using public transport.
- Walking or cycling to school.
- Using energy saving light bulbs.
- Turning off lights when you leave a room.
- Using a gas cooker.
- Using a gas water heater.
- Using a gas central heating system.
- Using a gas fireplace.
- Using a gas grill.
- Using a gas barbecue.
- Using a gas lawnmower.
- Using a gas chainsaw.
- Using a gas blower.
- Using a gas pump.
- Using a gas generator.
- Using a gas engine.
- Using a gas turbine.
- Using a gas compressor.
- Using a gas pump.
- Using a gas valve.
- Using a gas pipe.
- Using a gas fitting.
- Using a gas tool.
- Using a gas piece of equipment.
- Using a gas piece of machinery.
- Using a gas vehicle.
- Using a gas aircraft.
- Using a gas ship.
- Using a gas submarine.
- Using a gas balloon.
- Using a gas blimp.
- Using a gas dirigible.
- Using a gas airship.
- Using a gas zeppelin.
- Using a gas dirigible.
- Using a gas airship.
- Using a gas zeppelin.

- ### Lessons about Air Pollution
1. Encourage pupils to walk to school.
 2. Encourage pupils to cycle to school.
 3. Encourage pupils to use public transport.
 4. Encourage pupils to use energy saving light bulbs.
 5. Encourage pupils to turn off lights when they leave a room.
 6. Encourage pupils to use a gas cooker.
 7. Encourage pupils to use a gas water heater.
 8. Encourage pupils to use a gas central heating system.
 9. Encourage pupils to use a gas fireplace.
 10. Encourage pupils to use a gas grill.
 11. Encourage pupils to use a gas barbecue.
 12. Encourage pupils to use a gas lawnmower.
 13. Encourage pupils to use a gas chainsaw.
 14. Encourage pupils to use a gas blower.
 15. Encourage pupils to use a gas pump.
 16. Encourage pupils to use a gas generator.
 17. Encourage pupils to use a gas engine.
 18. Encourage pupils to use a gas turbine.
 19. Encourage pupils to use a gas compressor.
 20. Encourage pupils to use a gas pump.
 21. Encourage pupils to use a gas valve.
 22. Encourage pupils to use a gas pipe.
 23. Encourage pupils to use a gas fitting.
 24. Encourage pupils to use a gas tool.
 25. Encourage pupils to use a gas piece of equipment.
 26. Encourage pupils to use a gas piece of machinery.
 27. Encourage pupils to use a gas vehicle.
 28. Encourage pupils to use a gas aircraft.
 29. Encourage pupils to use a gas ship.
 30. Encourage pupils to use a gas submarine.
 31. Encourage pupils to use a gas balloon.
 32. Encourage pupils to use a gas blimp.
 33. Encourage pupils to use a gas dirigible.
 34. Encourage pupils to use a gas airship.
 35. Encourage pupils to use a gas zeppelin.
 36. Encourage pupils to use a gas dirigible.
 37. Encourage pupils to use a gas airship.
 38. Encourage pupils to use a gas zeppelin.

Thank you for your help

Thank you for your help in making our school a safer and healthier place. We are proud of what you have achieved and we hope that you will continue to help us in the future.

THANK YOU!

Thank you for your help in making our school a safer and healthier place. We are proud of what you have achieved and we hope that you will continue to help us in the future.
