

Dear Parents and Carers,

I hope that you are all well under these unusual circumstances.

By now you should have received an email from the Croydon Music and Arts office inviting you to Zoom lessons. These are digital lessons that can be held via laptops, phones or tablets.

You would need to download the app here. <https://zoom.us/download>. You will also need to register to the app in order for it to work; this is all free and relatively easy to do. If you have any questions then I would recommend using the FAQ page here. https://support.zoom.us/hc/en-us/articles/206175806-Frequently-Asked-Questions#h_12512067-340a-4ca9-8d5b-f52a7ed016fb

For health and safety reasons, CMA must have permission from a parent or carer for lessons to take place. There are some other online safety measures that were sent out by the CMA office. If you would like for lessons to take place, then please respond to the CMA email, copying me in. I will then be able to make a timetable and send all the invitations to the online lessons. I would like to start the lessons next week, so do please respond promptly if you would like these lessons to take place. I would also like to thank those that have already responded. Do please contact the CMA office (who are cc'd into this email) if you have not received an email from them today, they should be able to send out all the relevant info to you.

If you have any further questions then do feel free to ask me.

Please stay safe and healthy and I look forward to hearing from you all.

Kind Regards,

Felix Shepherd
