Hair and Make-up Design - Male

Design your character's hair and make-up, deciding on a natural look or colour, shading and special effects that emphasise certain features.

Hair and Make-up Design

If your character's facial features do not match the outlines provided, design their hair and make-up here.

1. Are they human or do they have different facial features?
2. Does any part of their face or hair need emphasising with:
 - Colour
 - Shading
 - Other special effects?
3. How do their hair and make-up reflect their personality?
