September 24, 2020

Dear Parents and Carers,

## St Joseph's College Virtual Open Evening

I would like to invite you and your child to watch a 360 virtual tour of St Joseph's College and a welcome video from me, giving you an insight into the broad educational experience your child will receive when he joins our caring community.

You can access the videos via the YouTube links below:

We had also planned to hold on-site tours of the College at the end of September and beginning of October, to warmly welcome you to see our thriving College in action. It is unfortunate, that due to further guidance from Public Health England, we are having to cancel the tours.

Members of staff are in the process of filming an informal walk around the College, to give you an insight of what lessons look like on a normal day. This will be available for viewing on our website in due course.

If you have any questions about admission into Year 7 for September 2020 and beyond, please do not hesitate to get in touch with the College via the contact details on our website.

Yours sincerely,

Mr David Garrido

Headmaster
