School building developments update

Friday 23rd September

Dear Parents and Carers

I am pleased to announce that from Monday 26th September the two relocated Year 6 classes (6P & 6H) will now be returning to their classrooms after the flood damage and the repair has now been declared safe. This will also mean that all classes can now walk in and be collected at their previous locations from next week. This will also enable us to return to whole school assemblies, which I know the children really enjoy.

3M will now be relocated to a classroom on the first floor within the school building. We hope to have 3M returning to their normal classroom soon.

One consequence of the recent flooding is that the school phone lines have been affected. This will mean that until a replacement phone system can be fitted, the school will only have 1 line coming into the building, the number remains the same.

Should you need to contact the school because your child is absent, please send an email to attendance@elmwood-jun.croydon.sch.uk stating their name, class and the reason.

We thank you for your patience with this issue.

Kind regards

Mr Marston

Headteacher
