Smart watches

Friday 17th March

Dear Parents and Carers,

It has come to my attention that some children are coming into school with smart watches that have a photo capability. Please note that this technology is not allowed in school as it could potentially put children within our care at risk. It could also have the potential for your child's images to be posted on social media without your permission.

Providing your child with a watch, especially analogue is extremely helpful to reinforce learning about telling the time. Please ensure that your child's watch does not have photo taking capabilities.

On a secondary point some of you have noticed a mistake in the Home School Diary for the last day of this term. The school will not be closing early as it states on the 31st March. We apologise for this error.

Kind regards

Mr Marston
