

Year 6 Homework Club

Monday 16th October

Dear Parent/Carers,

As part of Year 6, it is vital we prepare your child for secondary school and help your child fulfill their academic potential. As a result, we will be setting up a Homework Club for Year 6 children who do not complete their homework. This will begin on Monday 6th November. This club will be held every Monday lunchtime and will be run by Mr. Pollock (Deputy Headteacher) and Mr. Parkhouse (Head of Year 6).

To be clear, your child will be given the following homework every Monday. It must be completed by the next Monday:

Mathletics (Maths)

Comprehension on Google Classroom (English)

Your child must complete **both** of these pieces of work. If not, they will be asked to complete homework during lunchtime on Monday. We still expect your child to continue to learn their spellings and read nightly with a parental signature in the home-school diary.

If your child does not have access to a device, they must inform their teacher so that a paper copy of their homework can be given.

We thank you for supporting us in this decision. We believe this will help your child transition to secondary school and aid their academic progress.

If you have any questions, please do ask Mr. Pollock or Mr. Parkhouse.

Kind regards

Mr. Pollock and Mr. Parkhouse
