

**Police Visit to School**  
**Thursday 19<sup>th</sup> October @ 3:20pm**

Thursday 28<sup>th</sup> September

Dear Parent/Carers,

I'm sure you will be shocked by the awful news of the violent attack on a school girl in Central Croydon yesterday. Safety for our children and the whole Croydon Community is of paramount concern to us all.

As part of improving the safety of our immediate community I have invited the local Police to a 'Meet the Parents of Elmwood' meeting on Thursday 19<sup>th</sup> October, in the school hall straight after school. The purpose of this meeting is an opportunity for the Police to share what they have been involved with recently, and also an opportunity for them to listen to the concerns of the local community at this time. I'm sure you would agree that strengthening the relationship between the Police and the local community can only make the area safer for the future.

If you have any specific points or questions which you would like to raise, but are unable to attend, please do either email the school office, or let me know in person when you see me at school opening and closing times.

Kind regards

Mr Marston
