

New Designs for the School Hall Values Quote competition

Thursday 9th November

Dear Parent/Carers,

We are currently in the process of redesigning the School Hall so that it becomes a bright and inspirational place for all the children. As part of this we would like to add special quotes into the new permanent displays which will be related to each of the Elmwood values.

We are therefore opening up a competition for anyone to create either their own quote related to a school value, or share one created by an inspirational figure. The deadline for submitting quotes will be Friday 24th November.

Here are some current values examples:

Curiosity is the engine of achievement by Ken Robinson – Educationalist

Great things in business are never achieved by one person. They're achieved by a **team** of people
– Steve Jobs

The final forming of a person's character lies in their own hands – Anne Frank - **Responsibility**

There is no doubt that **creativity** is the most important resource of all – Edward de Bono

The Elmwood 10 values are:

Creative	Compassionate	Curious	Responsible	Respectful
Open minded	A team player	A risk taker	Resilient	Confident

Quote entries can be sent by email to the school office to the attention of Mr Marston, or handed to me in person.

Kind regard
Mr Marston
