

Parent Workshops 2024

Tuesday 9th January

Dear Parents / Carers

We would like to put together a set of Parent Workshops straight after school on Wednesdays. The aim of these workshops is to support you as parents with your children on a whole range of issues.

All workshops start at 15:15 and aim to finish at 16:00 in the main hall;

Wednesday 17th January How do we get great behaviour from our children at home?

Wednesday 24th January How do we resolve conflict in the home?

Wednesday 21st February How do we supporting our child with Maths at home?

Wednesday 28th February How to keep your child safe online?
How do we deal with children constantly on their devices?

Wednesday 6th March How do we support our children with Reading at home?

Hopefully these workshops can be fun, helpful and support you as parents, which if we're honest is not easy in 2024!

We look forward to seeing you there.

Kind regards

Mr Marston
